New Kitchen

We have started serving dinners out of our amazing new kitchen.

We currently have an advert out for a **CATERING MANAGER** (Grade 8). If you know of anyone who may be able to apply for this role please encourage them to apply via the 'eteach' website or contact the school office for more information. We hope to be cooking in our new kitchen by February half term dependent on recruitment of a suitable catering manager.

CAKES WANTED PLEASE!

Please bring your cake donations for Songs & Santa into school on Friday morning.
Thank you.

This year Olivia has chosen **CLIC Sargent** and **Pasic** as recipients of our donations.

Pasic charity helps in so many different ways:

- They fund Family Support Workers at Nottingham Children's Hospital and Leicester Royal Infirmary. They also offer support groups, information, advice and signposting to other sources of help.
- They give much needed social support and help reduce isolation. They organise days out, activities and events for all the family enabling them to spend quality time together and have fun!
- They give grants to parents caring for a child with cancer finding it hard to make ends meet at a very difficult time.

CLIC Sargent help in 6 ways:

- Day to day support
- Financial support
- Support at home with treatment
- Educational support
- Bereavement support
- raising awareness

Both these charities have both been fantastic through the tough months we have endured, without their support we would have found the journey even harder.

We would like to thank everyone for your kind support :you have been truly amazing.

Many Thanks
