Welcome Back!

I hope you enjoyed a good Easter. This term is a really busy term.

Please make sure you read the school diary enclosed with this newsletter.

There will be another newsletter later this month but we thought you needed key dates as soon as possible.

Queniborough Stomp Fun Run

New date:
Saturday 21st April

Foundation Stage & Year1

GRANDPARENTS' GARDENING AFTERNOON

The rearranged date for grandparents of children in FS & Yr 1 to come into school to help with gardening is **Tuesday 1st May at 1.30pm.**

We would like some help in planting our summer bedding plants!

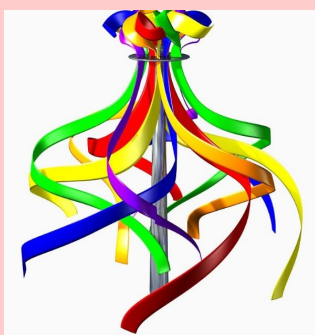

Please bring along your own gardening tools if possible.
Thank you.

May Day Celebrations

On Friday 4th May our children will be dancing around the maypole!

You are very welcome to come and watch.
Please come and join us at 2pm and meet our May King and Queen!

Please bring your own chairs or blankets!

SANTANDER

A working party from Santander Bank will be completing further upgrade work at our swimming pool on Monday 16th April.

Sports Awards Evening

Unfortunately, it has been necessary to cancel the Sports Awards Evening this year.

Sports Clubs

Mr Brooker left us at the end of last term to pursue a career in engineering. This will have an effect of our sports provision after school this term.

We are very grateful that Mrs Holly Battisson has agreed to support by taking children to some competitions.

Unfortunately, all after school clubs which were previously led by Mr. Brooker have had to be cancelled.

Year 6 Trophies

Please could you ask any of the children from Year 6 last year who won a trophy, if they could kindly return it to school as soon as possible. We need to have them engraved for the current Year 6!

Thank You.

SUN SAFETY

Please ensure that your child comes to school with sun screen already applied.

Classes often go outside for learning opportunities and will be in the sun at break and lunchtimes.

It is also advisable for **all** children to have 'named' sun hats .

SUCCESS!

We are delighted to announce that we have been successful in acquiring two substantial bids for our school.

One will be to ensure the school is fully compliant with fire detection and safety systems and which we hope will be completed over the summer.

The second contributes to a really important development in our school. We have received funding to install a kitchen in order for us to prepare our own school meals. This is a very big project and we hope to be serving our own school dinners by Christmas!

A Date for your Diaries!

MIDSUMMER BARBECUE & TREASURE HUNT FRIDAY 22ND JUNE
